

Dear Friend,

We are pleased to announce the kick off of our school's Fall Fundraiser, the Race for Education.

The Race for Education is not only one of the school's largest fundraisers, but it is a unifying and time-honored tradition. Every Blessed Sacrament student collects pledges for our school and participates in the race day event by running with their class on the track at East High School. Parents, teachers, faculty and students come together for an afternoon of competition, cooperation and community building. All students will participate during the same event, building on the success of the 2015 and 2016 events. We believe this creates an electric atmosphere and collective experience for preschool through 8th grade!

The Race for Education 2017 will take place on Saturday, October 7th from 3:00 – 6:00pm at the track facility of East High School, located at 1600 City Park Esplanade; Denver CO 80206.

The Parent Teacher Student Association sponsors this event. Our goal is to make Blessed Sacrament the greatest scholastic institution for our teachers and students. The funds raised from this event will go toward teacher continuing education, student initiatives like field trips and enrichment programs, family events such as the Sock Hop and the Ice Cream Social, and improvements to our drinking fountains. With your help, in 2016, we were able to raise \$46,000 for our students and teachers. This year, our fundraising goal for this event is \$55,000.

Our ability to continually make improvements is integral to the success of our school. Please join our Blessed Sacrament community in supporting our students and make your donation today.
